

Our code of ethics

- Our customers are always at the center of everything we do.
- We demand of ourselves to always exceed the wishes and requirements of our customers
- It's fun to work with us
- We are a competent and reliable partner in all our business relationships
- $1 + 1 = 3$ (Ask us about this one)
- For us, quality is no coincidence and it's done by design
- We are committed to continuously improve our processes and procedures
- Our employees are personally committed to the quality of their work and thus ensure the highest level of customer satisfaction.
- We have an open and direct communication culture. This culture is fueled by honesty and trust, and we thereby create the conditions for practical solutions with everyone involved
- Every single employee is invaluable. We value the ideas and suggestions of our employees and incorporate them into decision-making processes.
- Our managers serve as role models. Their behavior is characterized by reliability, fairness, openness and understanding. They help the team to learn, grow and be successful and develop solutions together.
- We promote the quality of all employees through ongoing training
- We pay close attention to the quality of our suppliers and encourage their continuous improvements
- We protect resources and the environment.
- We act legally, ethically and environmentally friendly, anytime and anywhere
